

European Union Health Facility in Vietnam

6th floor, No.16B, Van Cao Street, Lieu Giai Ward, Ba Dinh District, Hanoi, Hanoi, Vietnam

The European Union Health Facility (EUHF) has been established by the European Union in March 2015 as a part of the actions agreed with the Government of Vietnam within the framework of the EU Health Sector Policy Support Programme phase 2 (EU- HSPSP 2): Towards Equity and Quality of Health Services in Vietnam. For more information please visit our web page www.euhf.vn.

EUHF is currently looking for the candidates to fill the position of the

Senior public health expert/ health economist

Duration of the assignment is from January 3, 2017 till August 1, 2017 (part-time freelance contract).

Tasks and Responsibilities:

- to support the international expert in analyzing existing opportunities in Vietnam for introduction of the PPP in health sector
- to support the international expert in developing criteria to select and shortlist the potential projects based on established criteria.
- participate in conducting the plausibility check for at least two selected projects
- support the MoH in evaluating/interpreting the feasibility studies for selected PPP initiatives
- support the development of the PPP Concept in health sector and PPP operational manual

Qualifications

- At least a master degree related to public health, health economics, health care management, clinical specialties
- A minimum of 10 years of professional experience in hospital management, health management or similar
- A minimum of 5 years of experience in managing hospitals (both private and public in Vietnam)
- Full fluency in English and Vietnamese, both written and spoken.

All candidates must be computer literate (in spread-sheets and word processing, eg Microsoft Word, Excel and Powerpoint). Deadline for submission of the CVs is **28 December, 2016**.

All interested candidates should send their application in English, including a cover letter indicating the position they are interested in and the motivation for their application and a detailed CV (specifying the educational background, detailed description of all the assignments conducted, years of expertise) in electronic form, to Ms. Oxana Abovska, Health Facility Coordinator, at recruitment.vietnam@epos.de

No phone calls please. Only candidates selected for an interview will be contacted.
